A New Concours d'Elegance Concept will Combine Coveted Automobiles and Fine Cuisine with Exclusive Lifestyle Events

Miami, Florida – November 10, 2021. The Motorcar Cavalcade Executive Committee announced today a Lifestyle Automotive Concours designed to entice all who relish the finer things in life. The inaugural Motorcar Cavalcade will be held at the illustrious JW Marriott Miami Turnberry Resort & Spa over the last weekend of January 2022. This must-attend happening will bring together South Florida's extraordinarily vibrant car community to showcase and celebrate the art of the automobile with all.

This unique Concours will host and judge specially curated and themed displays of iconic, legendary, and simply awe-inspiring cars – from the dawn of motoring to the latest, most advanced Hypercars in the world – all in an incredible, all-inclusive Miami-inspired garden party setting. Not merely for the automotive cognoscenti, but an event created to present the passion of the automobile to a wider audience.

The Cavalcade will highlight incredible automobiles, provide access to VIP events and all-inclusive culinary and mixology pavilions – offering entrants and attendees the opportunity to immerse themselves in the alluring aroma of high-octane fuel, the roar of horsepower, and exquisite cuisine.

Among the Concours d'Elegance-centric happenings and exclusively through the Motorcar Cavalcade, there will be limited access to the sold-out Pegasus World Cup Invitational Stakes' VIP Suite, as well as the "Miami Speed & Style" road rally.

Limited ticketing is available to the general public for the Sunday Concours and Entrant Vehicle participation in the Concours is by Selection Committee approval. Due to the unique design of this Concours - which celebrates *all* incredible automobiles - any vehicle of provenance, both historic and current production models, can be submitted for consideration. However, the Selection Committee will only accept cars that stand out from the rest – truly special, important, newsworthy or unique automobiles.
